February 8, 2022

Dear Parents and Guardians,

I have every confidence you are aware of our Governor's message – "effective March 7, 2022, masks will be optional in all public schools." Following our district's processes, our Board has accepted the recommendation from our Health Team to update the District's protocols to make "masks optional" effective March 7, 2022, a local decision.

Please be aware, we are awaiting additional information as it relates to the mask requirement for buses, music classes, contact tracing, exclusions, quarantines, etc. March 16 will mark two years. A challenging two years for everyone. The Clinton Township School District has been diligent in the service of all members of our educational community and has met the challenge.

Thank you for your continued support. Upon receipt of formal information from the NJDOE and NJDOH, additional information will be shared.

Thank you,

Johanna S. Ruberto
